Ashley and Kim –

Attached is the Cooperating Agency Coordination Plan proposed by the USACE for the Pebble EIS. Ashley, I previously forwarded this to you.

The USACE has requested comments on this Plan at our “earliest convenience”. I would like to send the USACE comments by next Monday or Tuesday.

Attached is my first cut at comments. Please review and provide edits and additional comments by the end of the week.

If you are both available, I would like to discuss this sometime tomorrow.

Thanks –

Patty
